Everything will be of the highest order, except the prices of the Shoes, those we will keep, as we have started them—at the lowest.

We can afford to. We buy more Shoes than any other concern on the Pacific Coast. We have ten stores.

WE CAN, WE WILL

Sell Shoes at prices which will attract you and will secure your patronage. Pay our store a visit and inspect prices.

### WORST STORM IN YEARS.

Lightning, Thunder and Rain Kept Up Most of Night.

The electric part of last night's storm was the worst that has visited this city in years. Lightning was sharp and vivid, and heavy thunder peals kept many people awake. The storm began shortly after midnight and continued until well up into today.

Rain started in Palama and the districts beyond about 9 p.m. It reached town about 1:30 a.m. and began at Waikiki at 2 o'clock. Though the fall was for the most part steady, there were several heavy downpours. At Frank Brown's gauge the registry was 1.78 inches. It must have gone over two inches in Palama. The downpour is believed to have been worst toward Pearl City.

The telephones being destroyed today, as reported elsewhere, no detail news from the town could be gathered. At Waikane the fall of rain was very heavy. The city, however, appears to have been the worst center. It is feared that rough weather prevailed in the islands, particularly around Kauai. Indications are that the end is not yet. The barometer is very low, and heavy rain may be expected later in the day and perhaps tomorrow.
